

Youth Camp Nationalpark Thy summer 2023

Four Rotary clubs and one InnerWheel club have the pleasure to invite to an active camp around the northwestern part of Denmark, including the area of Cold Hawaii.

When?

The dates for Camp Nationalpark Thy – outdoor and wildlife are from Sunday, July 16th to Saturday, July 29th with arrivals and departure at Aalborg Airport (AAL) or Railway station.

Where?

Participants will stay the first week in Rotarian homes, either one or two participants in the same home. The second week will be in a scout's cottage, where several Rotarian, Rotaract and InnerWheel members will join the group. This means that shopping, cooking, dishwashing and keeping the place tidy will be part of the daily program (teamwork) in addition to the activities listed under "What?" All participants will sleep in dormitory, and the accommodation will be simple cottage style, however all appliances are available.

Who?

The camp accepts 23 foreign participants aged 16 – 20 (in July 2023)

We accept a maximum of two participants - preferably one of each gender - from each country. All communication is in English (mandatory), which is the official language of the camp. Good English skills are important!! Participants must not have taken part in more than one Rotary camp prior and must be sponsored by a Rotary club in their own country. Health insurance, personal insurance, visa etc. are the entire responsibility of the participants.

How?

You will organize and pay for your own travel arrangements to and from Aalborg. We kindly ask you to consider arrival and departure times to be reasonable, meaning not between 12 am and 6 am. Please advise our travel coordinator – who will be announced in your acceptance and who can be helpful when you are planning your travel. During your stay, following will be provided: Accommodation, necessary food, transport, and entrance fees.

For accepted participants, you will be invited in a personal facebook group.

FEE?

The participation fee is only DKK 1.000 (Danish Kroner) equivalent to €135 Euro, to be paid in advance. We recommended bringing about DKK 1.000-1.500 as allowance.

Remember that the Danish currency is the Danish Kroner.

VISA and Mastercard are acceptable everywhere in Denmark.

What?

The program of the camp is composed from the starting point of physical activities. Through experiences, which supports the desire to show all the possibilities in the area, the program is focused on sustainability, healthy food and the strongness of the nature.

We have planned a tight program, and we expect participants to make the effort to meet us with sincerity and commitments. As a reward, you get gratitude and widening of your horizons and will meet new challenges. Amongst the activities, you will be attending a two-day Hike, each day on 12 km.

As for all Rotarian Youth Exchange programs, no drugs, no drinks, no drive and no dating.
