The participants should be between 15 and 18 and capable of participating on the programs attached to this invitation letter.

The program contains on certain days 30 km bicycle riding and half day rowing. We expect, that the participants are in good physical conditions and can do both. (Knowing swimming and riding the bicycle is a must!)

The official language of the Camp will be English, so it is expected from participants to have a good understanding of English.

It is the responsibility of the Sending Rotary Club to send only candidates who fulfil the requirements.

Accommodation: Participants will be hosted at families for some days and in the campsite or bungalows.

Costs: All the programs' costs, transportation, accommodation, and food will be provided by the organisers. The participants should cover the travelling cost to Budapest and they should pay €450 as participation fee. We also recommend to bring some pocket money (around €100 is suggested).
